## EXPERIENCE

### Hillcity Secondary School — *Web Developer Instructor*

OCT 2023 - PRESENT

- Developed and delivered a comprehensive web development curriculum tailored to secondary school students' skill levels.
- Implement effective teaching strategies to engage students, including hands-on coding exercises, group projects, and real-world applications.
- Provided personalized feedback and support to help students overcome challenges and achieve their learning goals.
- Spearheaded the development of the school's forum website, overseeing all stages from conceptualization and design to implementation and maintenance.
- Utilized modern web development technologies (HTML, CSS, JavaScript, PHP) to create an intuitive, interactive platform for students, teachers, and parents.

### Ceresense Training Institute — *Web developer Intern*

JUL 2023 - JUN 2024

- Completed an intensive front-end development program, gaining hands-on experience with HTML, CSS, JavaScript, and frameworks such as Bootstrap and Tailwind CSS.
- Collaborated with the development team on webpage updates and creation, focusing on building user-friendly, responsive UI components.
- Identified and resolved bugs in frontend and backend code, enhancing site functionality and usability through effective debugging and testing.
